

Vinesong Breakfast (10th July 2021) Update

Thank you both so much for a wonderful morning and all the work you did to make it happen.

It was great to see you both again.

The program was excellent and it was a blessing to be there and to feel God's presence; His love and encouragement, hope and strength. The testimony was wonderful. Lovely to meet David and Maureen

It was great to hear Vinesong again and to be impacted by the Holy spirit in word and song.

I would have loved to be able to sing [next time hopefully] but was able to worship and that in itself was upbuilding in the faith. I remembered 'Let your Living Water' from some years ago.

Great to hear of your involvement in Bexhill Heritage.

Looking forward to the concerts!

"Two ladies who attended the breakfast said they were both moved to tears by Vinesong's worship. One of them, R, said that later that day she was feeling very unsettled about some things but felt restored and encouraged after listening to several Vinesong tracks on YouTube."

What a magnificent way to spend a morning, ample good food, blessed testimony and first-class worship from a fantastic group.

Well done 👍👍.

I cannot believe that God's hand was not in the venue change either. The atmosphere was so conducive to produce nothing but an ideal setting for the group's harmonies.

Really surprised how good Vinesong were. If at any time you can use P's organisational skills, she would be more than happy to help out.

My sister has developed a physical problem which has been causing pressure on her chest and causing panic attacks. When I'd spoken to her a couple of days before she was in a terrible state – very unlike her -fearful, tearful, unable to sleep and awaiting a GP appointment. During Vinesong singing of Our God Reigns (or maybe similar words), I found myself weeping for her and felt strongly that I had to buy the CD with that song and send it to her first class, with a distinct sense of it being sent like an anointed handkerchief. The next day I rang to ask how she had got on with the Doctor only to find she had ended up in hospital overnight with abdominal pains but on returning home in the morning received the CD, sat and played it right through and said it was a tremendous blessing. She sounded a different person and although I cannot say she was healed. she has been able to travel by train to stay with her daughter in Sunderland for a few days.

I'd like to add my appreciation and thanks to you, and all who assisted, in the great effort that was put into the organising of Saturday's breakfast, testimonies and ministry from Vinesong. I am confident many, like me, felt so blessed and will give God the glory. In support of the Jesus loves Bexhill litter picking endeavour, I would like to purchase a rugby shirt and join the "litter pickup" as often as I can.

Vinesong breakfast was amazing.

May I say a big thank you for inviting us to the special breakfast on Saturday to hear all about the outreach project here in Bexhill with the Vinesong group. It was also a pleasure meeting up with so many of our Christian friends who we have not seen for so long. I certainly enjoyed the worship time we had with Vinesong; it was most uplifting after such a period of drought. Do keep me in touch with the plans for the outreach, and I will certainly let the crew at St Johns know about this wonderful initiative.

Thank you for the invitation to join you at the breakfast last Saturday. It was wonderful to hear about the outreach project in Bexhill, and especially to meet and hear Vinesong. I certainly enjoyed the worship time which I found very uplifting, especially after such a period of drought.

Just brilliant! Well done. We had a great time on our table. Lots of interaction afterwards. Worship was really anointed. Venue was not physically perfect but they did us very well. Great you gave generous tip. Need to pray how and when to follow up?

This morning was wonderful with a lovely breakfast and as Vinesong were singing we really felt the presence of the Holy Spirit. It was a great time. Thank you for all that you did to organise it. We are looking forward to the next one. Thank you again, we really appreciate all that you did.

I was so blessed this morning Steve would've been so thrilled with the response and all that was shared especially Vinesong, he would have

been so excited at what is being planned. I'm sure he must be looking on and cheering, he would have loved to have been part of it so thank you for all you are doing.

Sorry it has taken so long to email to say how much I enjoyed the breakfast this morning. It was great company, great breakfast, the staff were excellent and Vinesong were awesome. I cannot wait to see what God starts to do in Bexhill. As we see the country start to be unlocked, I believe God is going to "unlock" Bexhill and we will see a new wave of revival. You have not ended up as Chair of the bandstand by accident it is by design for now, for this time. I mentioned this morning that if Vinesong come and ever need accommodation overnight, we can help as we have spare rooms. God bless you both for your faithfulness to Bexhill.

Yes, it was great and the vocals were amazing. Couldn't believe how much food there was. Sackville did us proud.

Well done everyone.

I had a picture as you were talking about the breakfast on Saturday and what the future holds. The picture was of a dam, behind the dam a body of water is building up. This build-up of water is the momentum JLB is building up as more events take place. While the water is building up those who are looking at the dam from the front cannot see it, all they can see is the front of the dam. As the water builds up there will be a moment when the dam bursts and everyone will see the water flowing out. I hope this picture encourages you.
